Homecoming Week/Game

Homecoming week is finally here! Students are encouraged to dress up for each spirit day for homecoming. Please be sure that your choice of dress for the day is within dress code & you are able to participate in band activities without complications. Monday is "Blue & Gold" day and Friday is the traditional dress up day (freshmen - babies, sophomores - tourists, juniors - cowboys, seniors - togas). We will have our homecoming parade on Friday morning with a pep rally at the stadium following the parade. An itinerary with the route will be provided prior to Friday's parade, pep rally, & game. **Students may wear their traditional dress for the parade and the game this year!** Students are expected to wear Covid-19 safe masks with their costumes.

Jazz Band

Jazz band rehearsals will continue after Homecoming week. We are still in need of at least 2 trumpets & a few saxophones to fill out the jazz band. If you are interested in joining us, please let me know and I will get you music that we are working on. Many times, this is an opportunity for a student to learn a new instrument and play some really fun music!

Have a great week!
