Band Boosters Open Positions

Parents, we are in need of your help in the upcoming year! We have two open positions on the Band Boosters Board that need to be filled by parent volunteers. If you are interested in helping out as Secretary or Treasurer, please contact Barb Scott (barbscott3607@gmail.com) or Josh Jenkins (jrjenkin76@gmail.com) for more information.

Spring Concert

On May 1st, we will have our Spring Concert in the gym. We are going to focus on all facets of the program in this concert and it should be a great evening of performances! An itinerary and more details will be announced closer to the event.

Final Exam/Ensemble Placements

Students have been given the information for the second semester final exam and next year's ensemble placements. It will consist of the All-County Audition Etude, 12 Major Scales, and their Chromatic Scale. We are covering several of these components in class and students are expected to practice the components at home.

District Inventory Band Boosters Open Positions

All school-owned instruments need to be inventoried during the week of April 19-23. If your student has a school owned instrument at home, please be sure to bring it to school that week.

Summer Dates

I know many families are trying to schedule plans for summer break. Unfortunately, I have not been giving the green light from the administration to publish the information for the summer yet. This is all related to Covid policies and keeping all students involved safe. Once the dates are published, please let me know of any conflicts that may arise.

You will have dates for the following events as soon as possible:

1. Leadership Interviews & Drum Major Auditions (before the end of the school year)
2. Marching Fundamentals Camp (Full Band)
3. Color Guard & Percussion Camp (1 week)
4. Band Camp (Full Band - 2 Weeks)
5. Parent Preview Show
