

Gulf Breeze High School Indoor Percussion Sponsor Form

The Gulf Breeze High School band is working to secure funding for our Winter Percussion season by offering our local business friends an opportunity to advertise on the back of our t-shirts. These shirts are worn by students throughout the season and at every performance or competition, which will take us from Florida to Alabama and Mississippi. The students usually wear them on their own time as well because they enjoy showing them off! This would be the perfect opportunity to get your business name, phone number, and support shown to thousands of people. The Winter Percussion students are one of the hardest working groups on the Gulf Breeze High School campus and appreciate all of our business sponsors!
