 - Indoor Rehearsal 4:00 - 7:00
-

Winter 2020/Spring 2021 - Rehearsal Schedule

Until further notice & for future planning, the rehearsal schedule will be as follows for the winter and spring semesters. Private lessons will continue on days where there is no concert or symphonic band rehearsal, each morning before school, & scheduled individually as needed.

- Monday - Concert Band & Jazz Band
- Tuesday - Indoor Percussion & Guard
- Wednesday - Color Guard
- Thursday - Symphonic Band & Jazz Band
- Friday - Indoor Percussion & Guard

Concert/Performance Dates

An announcement regarding a winter concert date should be available before the end of the week. Logistically, this concert is the most difficult of all years to plan and we want to make sure everyone involved, performers & audience members, are safe. Additionally, we will have information regarding participation in Christmas parades soon. Your patience is appreciated in this matter.

Quarantined Student Assignments

If you are a student that is currently quarantined, you will not have “extra” assignments during your time away for band. You will need to keep up with your music so that you will be able to come back and join the ensemble seamlessly. Any video assignments will be posted on the band app or flip grid, and you will be expected to complete them to the best of your ability. If you will

be missing a lesson appointment, please be sure to sign up for another lesson when you are able to come back to school.

Fall Program Ads

Due to the challenges associated with the pandemic, this fall has been far from normal for sports programs. The students participating in fall and winter sports deserve to be acknowledged as in years past, so we reached out to the Gulf Breeze News to combine forces. This is a chance to recognize and honor these students for their accomplishments by giving them the opportunity to get a student salute in the paper and letting businesses show their continued support for GBHS

programs.

Senior Parents - this is a great opportunity for you to show support of your band senior in this year's fall program as well!

Deadline is **December 10th** to the Gulf Breeze News. The flyer can also be found on our website at www.gbhssoundwave.com.

Also please forward any team photos to Lisa Newell at ads@gulfbreezenews.com for publication in the Fall/Winter Sports Preview section.

Many students have needs for their instrument. There is no better way to help your student sound better and play easier than a new mouthpiece, an upgrade on their instrument, a new practice pad & sticks, or just give a little care package of slide/cork grease, reeds, or valve oil! Brass students are at the level where they will be playing music that needs specific mutes that are not typically provided by the school. Any items bought at Schmidt's music store can be dropped off at the school by one of their representatives. They will even pick up instruments if repairs are needed - no need to drive around the bridge! If you have any questions and would like recommendations for your specific student, please email Ms. Donahoo.
