Band Camp Update

The band and colorguard students have been working very hard the past week! They have learned all of the drill to the opener, along with music, color guard work, and a few bits of choreography for the winds. We have also started working through the ballad and will get drill very soon. The staff has thrown a lot of information at the students and they are stepping up to the challenge. Hopefully you will be able to come to the parent preview on Friday and see why your students are coming home so tired every day!

Volunteer/Background Update

The county has updated our Volunteer/Background check form for the **2019-2020 school year**. Please be sure that you are filling out the correct form at the link below. All volunteers and chaperones must complete the form and be approved by the School Board prior to any parent/guardian volunteering/chaperoning.
