Fall Program Ads

Due to the challenges associated with the pandemic, this fall has been far from normal for sports programs. The students participating in fall and winter sports deserve to be acknowledged as in years past, so we reached out to the Gulf Breeze News to combine forces. This is a chance to recognize and honor these students for their accomplishments by giving them the opportunity to get a student salute in the paper and letting businesses show their continued support for GBHS programs.

Senior Parents - this is a great opportunity for you to show support of your band senior in this year's fall program as well!

Deadline is **December 10th** to the Gulf Breeze News. The flyer can also be found on our website at www.gbhssoundwave.com.

Reserve your ad now in the
FALL & WINTER SPORTS PROGRAM

Also please forward any team photos to Lisa Newell at ads@gulfbreezenews.com for publication in the Fall/Winter Sports Preview section.

Indoor Percussion/Guard Auditions

We will have indoor percussion/guard auditions after the fall break/Thanksgiving holiday. We will have a meeting this Thursday from 3:45-4:30 to discuss updates on the season and what to expect with auditions. If you are intending to participate in the indoor season, your attendance at this meeting needs to be of high priority.

Quarantined Student Assignments

If you are a student that is currently quarantined, you will not have “extra” assignments during your time away for band. You will need to keep up with your music so that you will be able to come back and join the ensemble seamlessly. Any video assignments will be posted on the band app, and you will be expected to complete them to the best of your ability. If you will be missing a lesson appointment, please be sure to sign up for another lesson when you are able to come back to school.

Student Shout Outs

Congrats to the following students on their achievements in the past week!

Abby Driskell (percussion section leader, far left) & **Garrett Edwards** (tuba section leader, third from right) are members of the GBHS Swim team that made it all the way to State this year! Congrats on your hard work despite all of the extra challenges this year has brought on!

Haleigh Wheeler (clarinet section leader) was accepted to the University of South Alabama and **Nicholas Hoeflich** (saxophone section leader) was accepted into Florida Polytechnic University! While both are waiting for acceptance letters from other schools to make their final decision, it is very exciting to see our seniors begin to take steps toward their future! We know our Soundwave members will do great things in the future!

Want to be recognized for your hard work? Be sure to let Ms. Donahoo know! We want to celebrate your hard work in and out of the band room!
